Please answer the following questions:

Purpose of estimate or placing an order:

- Replacing old countertops
 Replacing cabinets and countertops
 New Construction

If you are buying new cabinets, do you know the approximate date they will be installed?

Berea Top Shop, Inc. will be: (Please mark all that apply)

- Measuring or Making a Template for countertops
 Installing Countertops
 Tearing out and removing existing countertops
 Delivering but not installing
 I will be picking them up

If you need us to measure, template, install or deliver, is there a time that is better for you? _____

*****We do not do any plumbing or electrical work *****

If you want us to cut out the hole for the sink, we will need to know the type of sink you have and the cut-out size, if not a standard 33X22 stainless steel double-bowl sink. When you purchase a new sink, there will be a template that will give you the cut-out sizes.

My sink cut-out size is: _____ (if applicable).
